## ISAAC HONORING VETERANS WITH NOVEMBER 11TH BREAKFAST

New London, CT- Veterans Day is observed annually on November 11. It's a holiday honoring men and women who have served in the U.S. armed forces, on the anniversary of the end of World War I.

ISAAC's Leadership Club meets twice weekly throughout the school year finding ways to make an impact in their community. This year, the Leadership Club will help host ISAAC's first Veterans Day Breakfast on November 11, 2022, at 9:00 a.m. in the Dragon Café.

The breakfast will be for current and past active military members of our current ISAAC families and staff, who should contact our Director of Safety, Security & Residency, Bobby Harris, with their DD214 paper or active military card.

"This is a great event for our past and present military families," said Harris, who served in the Navy from 1988-2008 as Logistics Specialist. This event is a reminder to all those who have served and the sacrifices they have made.

### Principal's Notes:

Hello ISAAC Families,

We are officially on to the second quarter of our school year. As we move into quarter two, I ask that students reflect on quarter one, learn what worked for them and what didn't, and try new strategies to help them succeed in the classroom. Learning is a process and one that is constant. If your child needs help, please contact their teacher. Working together with our students is what we are here for.

Go Dragons!
