In accordance to State Statute, the Curriculum Committee serves as the subcommittee of the ISAAC Board of Directors with the purpose of recommending from its May and/or July meeting(s) the approval of new and/or massively revised written curriculum to the Board of Directors at the June and/or August meeting(s). The ISAAC Administration Team and any designees will present and discuss the curriculum with the Curriculum Committee at the aforementioned meetings. In addition, the Interim Assessment Benchmark (IAB) student achievement data that is periodically reported to the state as part the corrective action plan through 2023 will be reported to the Curriculum Committee at its December, March, and May meetings.

Overall state student achievement results (i.e. SBAC and NGSS) will be presented to the full Board of Directors at the October meeting by the Executive Director and his designees.
