ISAAC GIRLS VOLLEYBALL TEAM WRAPS UP IMPRESSIVE SEASON

New London, CT - The ISAAC Girls Volleyball team had an outstanding season, marked by strong teamwork and impressive performances on the court. Over the past several weeks, the team faced tough competition from top seeded Groton Middle School, but managed to maintain a strong record despite the losses.

The lady dragons, led by coaches Mr. Battipagila and Mr. Santiago, have worked hard all season to develop their skills and strategies, and their hard work has paid off. The team's impressive performance is a testament to their dedication and commitment to the sport.

As the season comes to a close later this week, ISAAC wishes the best of luck to the 8th grade girls as they continue their volleyball careers in the future. With such a talented and driven group of players, the future looks bright for the lady dragons next year. In addition to the impressive performance of the varsity team, ISAAC is also excited to announce that intramural girls volleyball

will begin on the Monday after April vacation. This is a great opportunity for girls of all skill levels to get involved in the sport and have fun while building their skills.

Congratulations to the ISAAC Girls Volleyball team on a great season, and good luck to all the players as they continue to pursue their passion for the sport.

ART SHOW TIME!

The art show will run from **March 30 - April 16.**
Lyman Allyn Art Museum
625 Williams St, New London, CT 06320

Families are welcome to attend. Free admission for the duration of the show!

Half of 6th Grade Foundations of Art Class and all 8th Grade Advanced Art students will have a portrait in the show.

Principal's Notes:

Dear ISAAC Families,

Quarter 4 has started, and we are excited to continue providing our students with an engaging and challenging academic experience. We encourage our students to stay focused and put forth their best effort as we head into the final stretch of the school year.

We have also made some changes to our schedule that we believe will benefit our students. Our new schedule now has lunches in the following order 6, 7, 8, and

Advisory is in the morning on Tuesdays and Fridays. This change allows for students to meet in the morning, which can help set the tone for the day and provide an opportunity for them to connect with their peers and teachers.

We hope that these changes will enhance our students' overall experience and help them achieve their academic goals. As always, we appreciate your ongoing support and look forward to continued success for all of our students.

Go Dragons!
