Dear ISAAC Family,

This letter is to notify you of a situation that occurred this morning at ISAAC. This morning at 11:30 am, the New London Police Department instructed ISAAC to go into a Shelter in Place due to activity in the nearby area where the school resides. ISAAC remained in a Shelter in Place for 52 minutes before NLPD announced that it was safe to resume normal school activities. Please be assured that at no time were students or staff in danger or threatened.

Please know that the safety and security of our students and staff is the highest priority for ISAAC. Furthermore, we are grateful for the continued support and collaboration that exists with the New London Police Department in ensuring that ISAAC is a safe place for our students and staff to work, learn, and grow.

If you have any further questions, please feel free to contact Principal Linski or Associate Principal Collins directly.

Sincerely,

Dr. Nicholas J. Spera
Executive Director
